Members,

Courtesy of our OPP partners, attached is a simple flow chart and reference document to assist officers in utilizing the Emergency Management and Civil Protections Act (EMCPA).

Our role is to ensure public safety, enforce the law and keep the peace. Though the OPS facilitates lawful demonstrations, it does not condone the current illegal activity or behaviour.

Under the recent province-wide state of emergency, those who defy the law can be held accountable.

We will be getting you more information very soon on the Federal Emergencies Act considerations.

Thank you for your continued dedication to this evolving situation. We will have more to come in the next 12-24 hours.

Rob
